

Sandringham's Pears Court Key Facts

for market rent apartments

1 April 2021 – 31 March 2022

JEWISH CARE

This booklet will help you understand the key financial and legal implications of living at Pears Court, Jewish Care's Retirement Living apartments at Sandringham.

Property details

Pears Court, Sandringham, Common Road, Stanmore HA7 3FT will be completed in 2021. The site is owned and managed by Jewish Care and provides a mix of 48 new one-bed or two-bed apartments for rent. All properties are newly built and have not been previously occupied.

Tenure

The apartments are let on an assured shorthold tenancy basis, with sole or joint occupancy. This means that you can rent an apartment on your own or with a partner with a fixed term period of three years. We are required by law to ask you to provide evidence that you have the "right to rent" in the UK. We can provide further information about this on request as well as let you know what documents we will ask to see.

All tenants sign a tenancy agreement, which is a legally binding contract between the tenant and the landlord (Jewish Care). The agreement is based on current legal requirements and tells you what we must do as your landlord and what your responsibilities are as a tenant.

The tenancy agreement contains a significant amount of information including:

- The tenant's name and the address of the property which is being let
- The date the tenancy begins and duration of the fixed term
- The amount of rent payable, how often and when it should be paid, and when it can be reviewed
- A code of conduct for tenants and visitors (tenants are responsible for the behaviour of their visitors)
- The services and facilities we will provide
- When and under what circumstances the tenancy can be terminated. Jewish Care can terminate a tenancy if payments are missed or if any of the tenancy's conditions are breached. However, we cannot do this summarily (a court order is required) and we will always act reasonably before initiating the termination process (e.g. first seeking through dialogue to resolve any payment issues or other breaches)
- Other information including the prohibition of sub-letting apartments and passing on tenancies

For full terms and conditions please see a copy of our tenancy agreement, which is available on request.

Nomination arrangements

There are no local authority nomination arrangements. If you are interested in renting an apartment at Pears Court, please apply direct to Jewish Care.

Costs of moving into Pears Court

Our fees are reviewed annually. We do not charge assessment or application fees. You will be responsible for your own removal costs.

You will be asked to complete an application form and provide us with details of someone who can act as a guarantor. If you meet the eligibility criteria, we will arrange to meet with you to assess your housing, care and support needs.

Deposit

You will not be asked to pay a reservation deposit. However, once the letting has been agreed and prior to signing the tenancy agreement, you will need to pay a security deposit. This is equivalent to one calendar month's rent. The security deposit will be held throughout the term of the tenancy and will be protected by the government-approved Deposit Protection Scheme (DPS). The deposit will be returned to you following the end of your tenancy in full unless there are outstanding deductions to be made for any sums owed to Jewish Care (e.g. arrears of charges and the costs of redecoration, repairs or of any works to rectify any damage to the property). If the charges exceed the value of the deposit the additional costs will also need to be paid.

	1 Bedroom	2 Bedroom
Security deposit	£1,877.25	From £2,269.50 to £2,360.28

Guarantor

We ask all applicants to provide a guarantor. A guarantor is someone who would be willing to pay your rent and other expenses if you were unable to. This would usually be someone you know well such as a member of your family or a close friend.

Ongoing costs while living at Pears Court

If you have any questions about ongoing costs and payments, you should contact the Living with Jewish Care Team for advice as far in advance as possible on 020 822 2222 or lwjc@jcare.org. If your query is about rent or support charges, it will be referred to the Housing Services Team, who will be able to assist you.

Costs and services provided by Jewish Care

All charges are due from the date the Tenancy Agreement is signed, which may be different from the date of occupation. Actual costs for specific apartments will vary based on their size and amenities.
