Have a go on our word wheel. The rules are simple – the goal is to make as many words as you can from the letters. All the words have to contact the letter in the centre of the wheel. Use the box below to write your answers in! Good luck!

Stretch your mind with this fun *maze*. *Start at the corner and try to find a way out!*

When it comes to relieving stress, more giggles and guffaws are just what the doctor ordered. Our jokes are hand-selected and ready for you to tell to your friends or family!

**1. Have you ever tried to eat a clock?**

It's very time consuming.

**2. My girlfriend broke up with me when she found out I only have 9 toes.**

She was lack toes intolerant.

**3. I can't understand why my calculator just stopped working.**

It just doesn't add up
